

**Scene1 : While the old woman was washing clothes in the river,
a huge peach—bigger than any she had ever seen—came floating down
from upstream with a plop-plop sound.**

**Scene2 : Suddenly, the big peach split clean in half with a loud pop!
Then, from inside, a bright,
sparkling boy full of energy leapt out.**

Scene3 : The three brave companions marched forward, heading toward Onigashima, the island where the ogres lived.

**Scene4 : When Momotaro charged forward with his sword ready,
his animal companions jumped into action as well!**

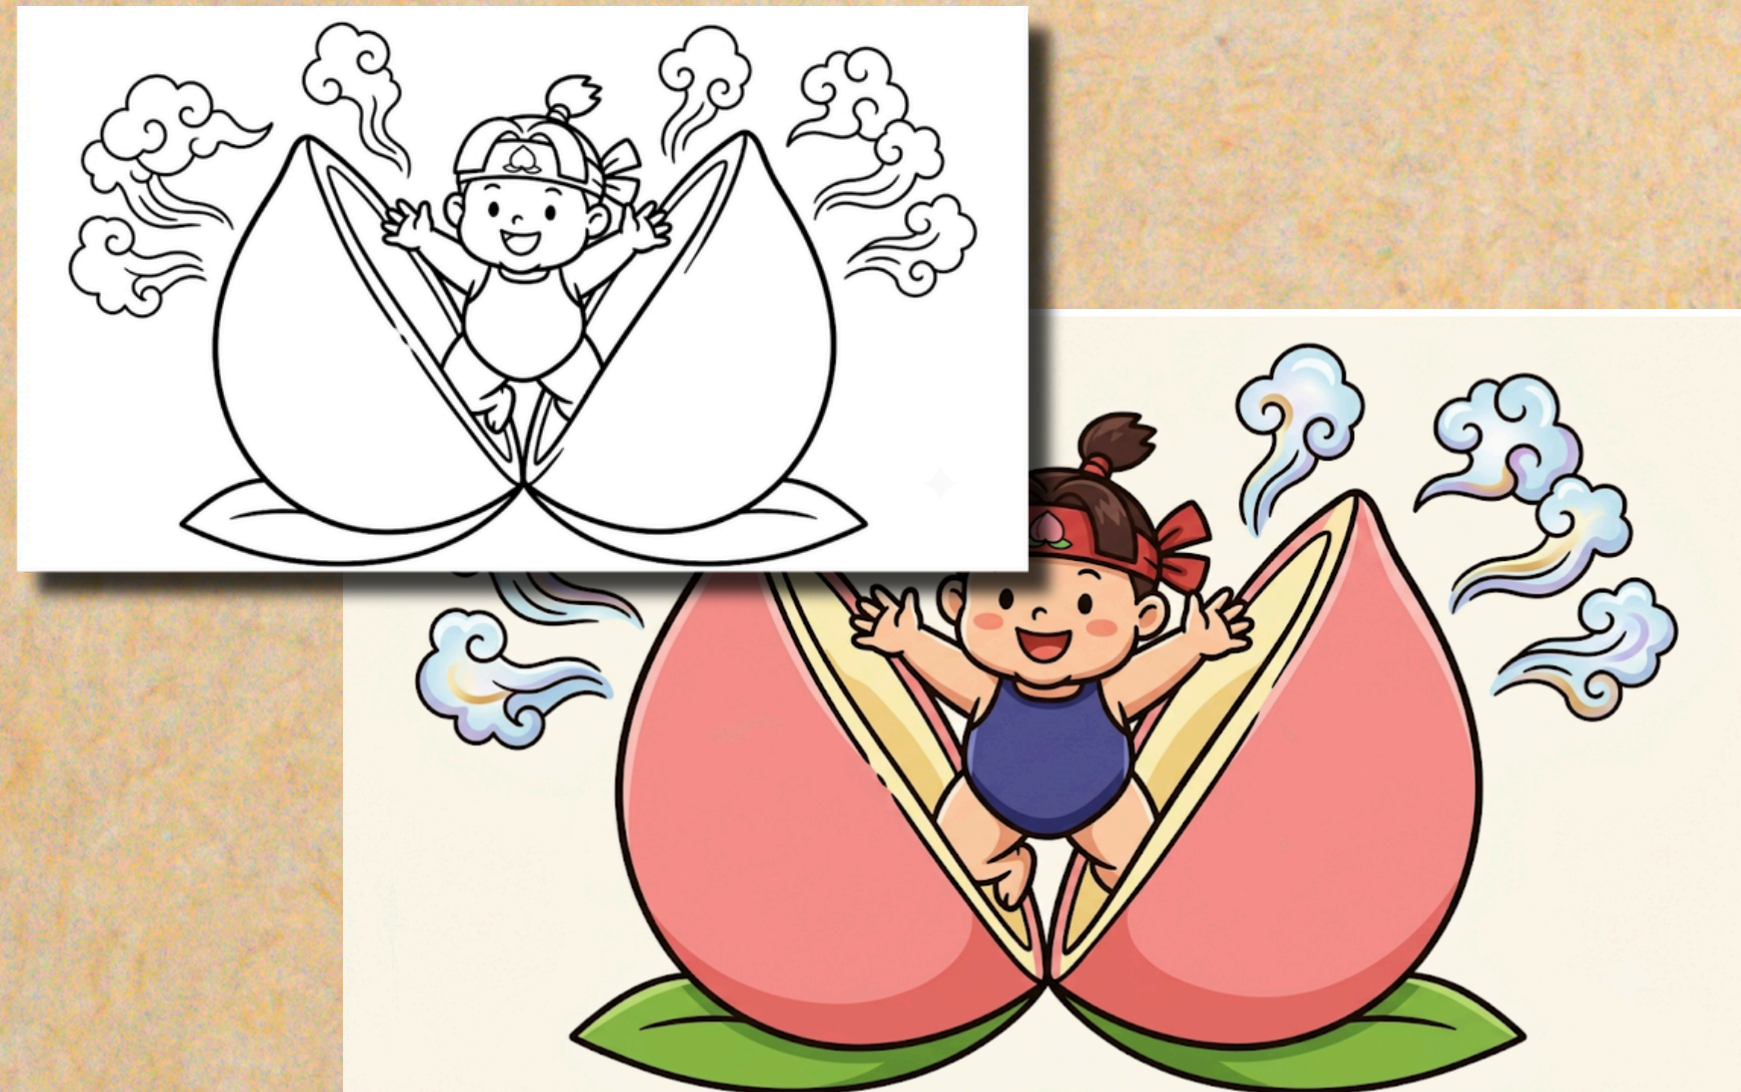

“It Came from the River! — Momotaro (Original Version)”

“Picture-Story Coloring Set”

Scene1 : While the old woman was washing clothes in the river, a huge peach—bigger than any she had ever seen—came floating down from upstream with a plop-plop sound.
